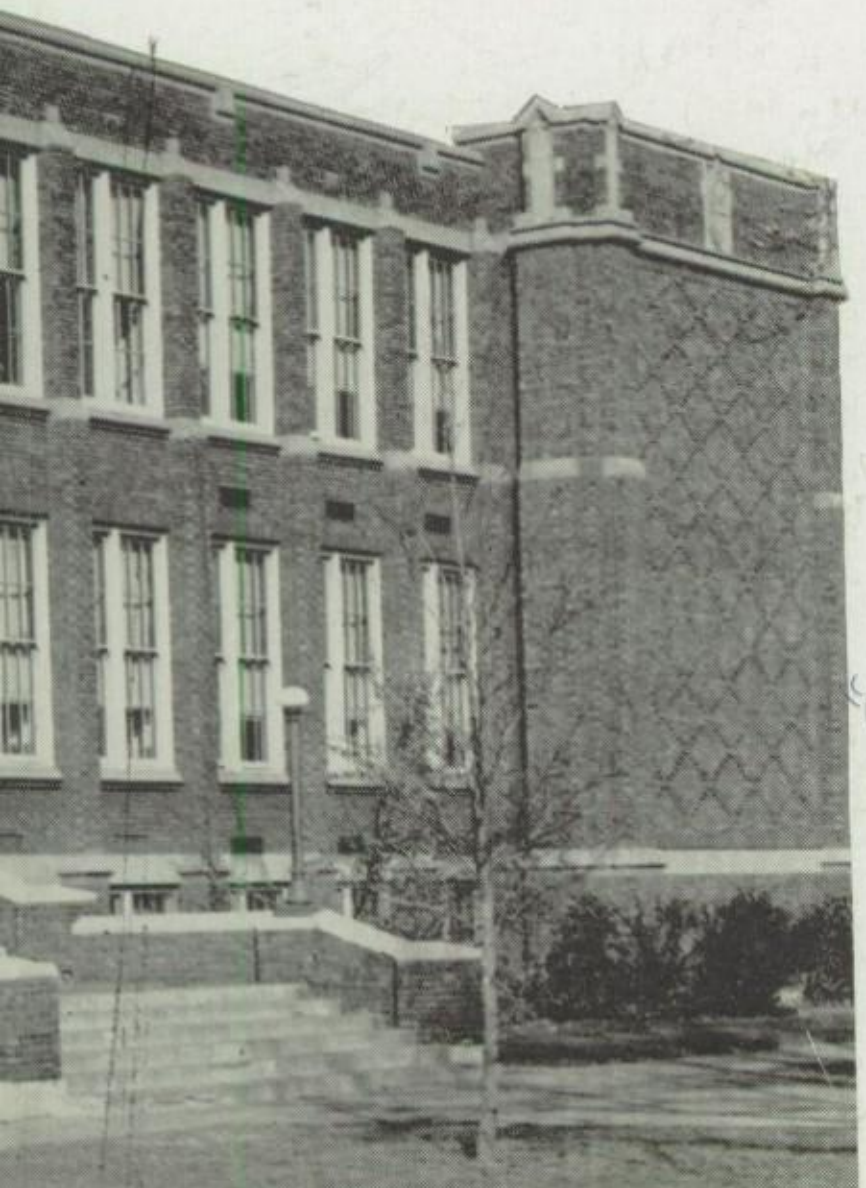
Best of Luck to a cute Girl
Jerry Bowers
Jan. '56

A song is born as the 1956 Log takes you on a musical journey to platter land. The all-time great hits are brought back for you to sing and enjoy once more. Music is everywhere as the Log revives such tunes as "Cry," "Moments To Remember," and "Sweet and Lovely," to name only a few.

Whistle while you work, but stop your work long enough to reminisce a few of the tunes and enjoy the musical Log. We hope that you will thrill to the Log as much as we are thrilled in bringing it to you.

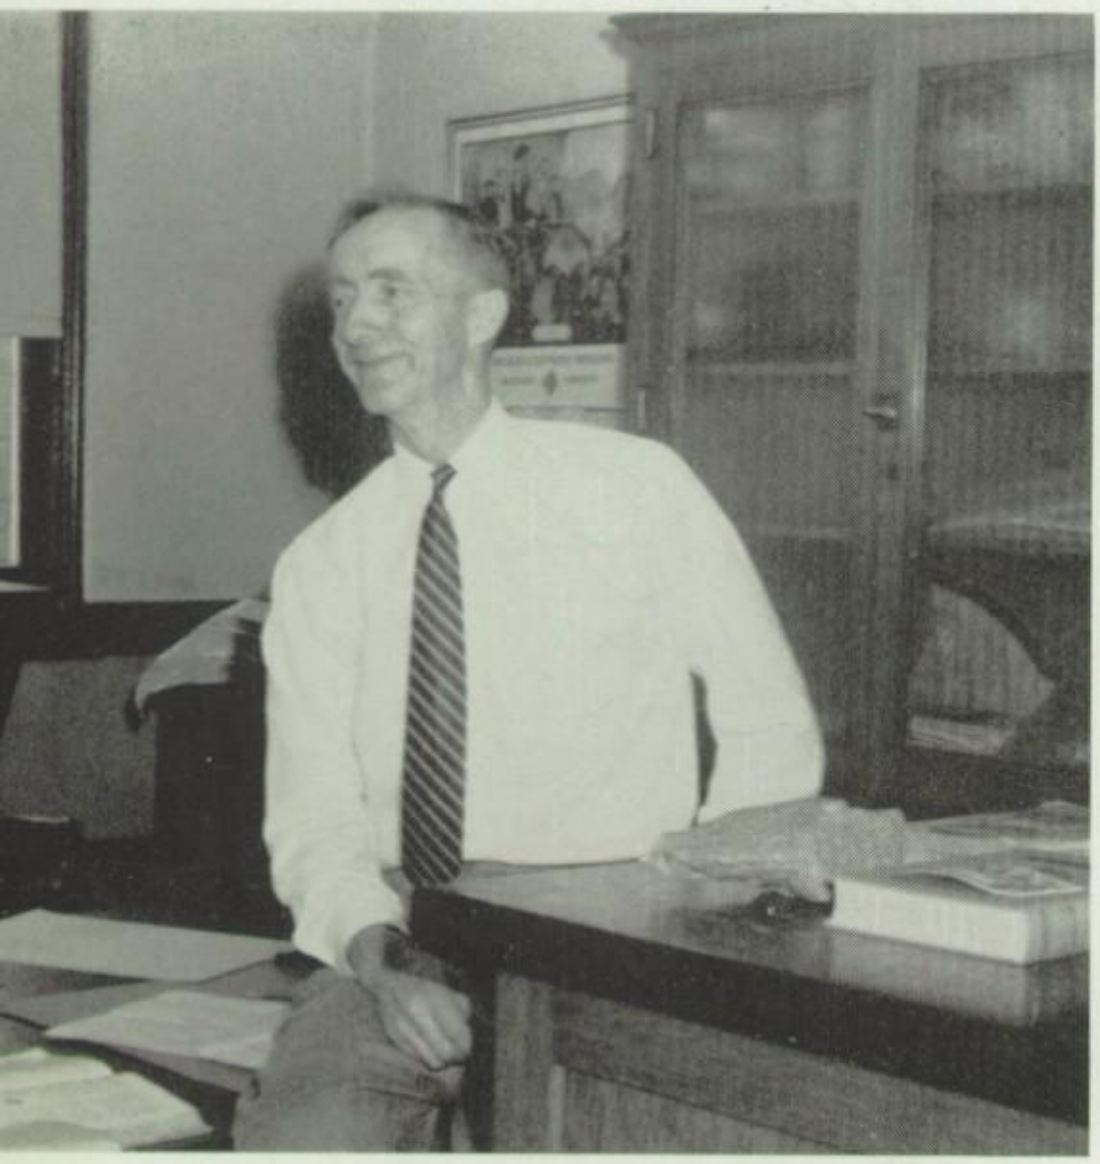
Compiled and edited by Donna Wax, Dan Smargiassi and Roberta Coleman.

Assisted by Jackie Gibbs, Bill Bernstein, Nancy Hazlett, Kay Ramsay, Loretta Davis, Carol Melkush, Anna Rollett, Maxine Yowell and Marilyn Matern.



"Best of Luck always, to a real neat & sweet, Kisto Gal. Thanks for all the help, and have fun throughout the rest of your two years at F. H. S.
Your friend always
Martha Pressler

Dedication



MR. CLARENCE RUFF

Clarence A. Ruff

Riding high on the top of the Feitshans Hit Parade is Mr. Clarence Ruff, instructor in General Science and Biology. Patient, interested, kind, and wise, Mr. Ruff can truly be called the students' friend.

Mr. Ruff came to Feitshans in 1929, having taught the previous year at Springfield High. During his twenty-six years at our school, Mr. Ruff has accomplished much in addition to teaching a full class load with a rare minimum of sick leave. He was instrumental in acquiring and installing the public address systems in the gymnasium and auditorium. He has headed the visual aids program at Feitshans since its inception several years ago, and he has consistently acted as chief timer for the home basketball teams.

Engage Mr. Ruff in conversation after class and you will soon learn that he is one of the most avid outdoorsmen you've met. The love for hunting and fishing apparently was instilled in him as a youth growing up in the sportsman's paradise, the "land o' lakes," Wisconsin. This man's fish stories are *believable* ones as he tells them with the rapture and enthusiasm of one who knows his topic well.

For his long years of service to our school, for the lasting contributions he has made to the lives of countless students, for his devotion to duty and for his loyalty, we, the students of F. H. S. take this medium for honoring Mr. Ruff. Our fervent wish as he begins his well-deserved retirement is that the years ahead hold for Mr. Ruff the fullness and happiness he so richly deserves.

In Memoriam

MRS. LOUISE BLAEUER

Mrs. Blaeuer joined the staff of Feitshans High School as a member of the mathematics department in the fall of 1941. During the years that she was part of our school family she endeared herself to faculty and students alike for her many admirable qualities.

Intensely loyal to the school, she always cheerfully assumed responsibility for extra-curricular activities. Her versatility enabled her to serve as accompanist for music contestants, direct class plays, or sponsor the year book with equal competence.

Within the class room she was a conscientious and capable teacher. She was devoted to her profession and had a sincere interest in the problems of each individual pupil.

Possessed of much personal charm and vivacity, Mrs. Blaeuer was a delightful asset to any group of which she was a part. Because of her rare gift for laughter and her ability to conceal her own problems, many people were unaware of the seriousness of her physical condition. Always she put the welfare of others before her own.

She will be missed in our school, but the memory of her graciousness and courage will long remain with all who were privileged to know her.

Autographs

Rita Ann,
I hope our friendship never come to an end. We did not become good friends until the last of this year but that seems like years. We will have loads of fun this year, I know and for our next 2 years. I will never forget our great friendship and the fun we've had and will have. I hope every thing will work out fine between you and Jay and in every thing you do.
Be Good!
Always

We of the Senior Class of 1956 are proud of our achievements while attending F. H. S. It seems only yesterday that we registered as freshmen. We are happy to be graduating, but we are sad at the thought that life at Feitshans is over for us.

We are proud of our extra-curricular activities. We have taken part in the activities of such clubs as Key Club, Hi Y, Y-Teens, F. H. A. and other organizations. We helped to govern ourselves in Student Council. In choir and band we cultivated our musical talents.

The "Flyers" weren't to be outdone athletically. Many of our class members were honored individually, being named to all-city and all-conference teams.

Social life is another lesson taught in the chapter of life termed High School. Our memories will always hold high the thought of the after game dances, and our first date. Our social life was topped off by our prom, "Enchanted Evening."

Most important of all, we are proud of our scholastic achievements. Many of our class members will further their education by attending college. Others will go into the world of business, or military service.

During our four years at Feitshans we developed mentally, physically and socially.

"Hail to the Chief"

MR. WAX

Mere words or expressions of gratitude can scarcely begin to repay Mr. Wax for the multitudinous ways in which he has helped us. Therefore the students, each grateful for the particular assistance which Mr. Wax has given, contribute a colossal thanks to our beloved principal.

"Let's Talk It Over"

MISS ELIZABETH COGSWELL

Helping us solve our problems, aiding in planning our future, arranging our programs, and advising us on the right move are only a few duties of our capable deans. Feitshans should be proud to have the advice and wisdom of two such capable personalities. Their kindness and willingness are appreciated by everyone. Future students will be sure to start out on the right foot with the assistance of these counselors.

Victory March

The Flyer team started off the season like a lion and ended it like a lamb. Coach Schultz's boys won the City Title by tieing Cathedral in the final city game. Against non-city opponents the Flyers managed to win only one game while dropping five. Feitshans finished the season with a 3-5-1 mark. Tom Robertson was voted back of the year, while Chuck Gantt grabbed in the lineman of the year prize. The Flyers placed four players on the All-City Team and two on the second team. Robertson won the scoring title by scoring 57 points. His teammate, Chuck Gantt, finished second with 43. Together these two greats scored 100 of the 127 points that the team managed to get.

First Row: R. Miller, R. Bounds, Mgr., K. Atterberry, T. Robertson, D. Henry, D. Rodems, G. Morescki, D. Lindsey, N. Van Houten, D. Fathauer, R. McLaughlin, C. Gantt, H. Jamerson.

Second Row: Asst. Coach, J. McCoy, L. Webster, D. Milburn, D. Galloway, D. Faulkner, J. Stites, R. McCoy, G. Patterson, R. Fleer, F. Moriconi, R. Hollis, L. Blackwell, M. Schultz, Coach.

Third Row: Asst. Coach, D. Tillman, B. Volk, J. Carver, M. Webster, R. Lutes, N. McHenry, C. Shepard, B. Meierhans, J. Gray, J. Gardner, J. Knox, R. Carpenter, Asst. Coach.

Feitshans dropped its opener to Rushville by a 14 to 7 score. However, the Flyers bounced back to whip Springfield, Lanphier, and the tie with Cathedral brought the city trophy to the south-side. After whipping Beardstown, the Flyers finished the season by losing its final four games.

Feitshans should be proud of its team, not only for winning the city, but for showing good sportsmanship at all times.

Rough 'n Ready

First Row: R. Bounds, Mgr.; N. Kerr, R. Lewis, J. Carver, L. Sintay, T. Foster, J. Matheis.
Second Row: J. Gibbons, K. Weiss, J. Gardner, B. Volk, W. Faulkner, C. Downing, D. Yates, J. McCoy, Coach.
Third Row: K. Daugherty, M. Webster, G. Quigley, J. Kelley, C. Shepard, R. Hollis, R. Bogardus, J. Gray.
Fourth Row: N. McHenry, J. Knox, L. Spain, W. Truax, F. Moriconi, J. Stites, R. Taylor, R. Lutes.

Champions are made and not born. This statement was proved to be true when the freshman team of a year ago didn't win a game, but the same bunch of boys went undefeated during this, their sophomore year. Under the able coaching of Mr. Tillman and Mr. McCoy these boys are prepared to play varsity ball. The freshman team this year had a fair season as Coach Tillman taught a bunch of greenhorns the fundamentals of the game. A lot of hard work, long drills, and the desire to play along with the able coaching of Mr. Tillman and Mr. McCoy should result with these freshmen and sophomore boys playing a lot of varsity ball in the future.

First Row: B. Wilkerson, J. Vono, D. Viera, J. Reed, J. Ferguson, G. Pickeroll, J. Woodrum, R. Ramelow, A. Moore.

BEVERLY LANDRETH

Vim, vigor, and vitality are three words often used to describe the Feitshans' cheerleaders. Our cheerleaders help build up the school spirit and bolster the morale of the Feitshans teams. They were watched by all as they turned their cartwheels and flips, did the splits, and performed their actions with precision.

SUE OTTO

JUDY BENNETT

Donna Wax and Sue Otto are our two graduating cheerleaders. Sue has been a cheerleader for three years. Donna has been a member of the squad for four years and has served as captain for three of these years.

Happy Hoopsmen

Bottom, Left to Right: J. Maslouski, J. Blackwell, R. McLaughlin, K. Atterberry, D. Lindsey.

Basketball Squad

Left to Right: B. Volk, D. Lindsey, L. Webster, K. Atterberry, H. Jamerson, J. Homeier, L. Halberg, Coach, R. McLaughlin, R. Johnson, J. Blackwell, D. Henry, C. Gantt, D. White.

Kneeling: G. Matheis, J. Lawson.

A good scoring punch was enough to get the Flyers through their schedule this year. The Flyers wound the season up by winning 20 and dropping 4 tilts. This was one of the best records ever to be recorded by a Flyer team. They also won the Central Conference, and they also scored the 100 mark twice this year.

Paced by Johnny Homeier, who scored 475 points, and his aggressive teammate, Chuck Gantt, the Flyers managed to win till their defense fell apart in the regional tournament. Homeier wound up his basketball career at Feitshans by scoring 1836 points in 4 years, for an average of 19.3 points per game.

The brilliant outshooting of Rich Johnson was the only thing that kept the Flyers in contention in their final games. When the pressure was high, Johnson was the coolest player on the floor.

The ball-hawking of Dick White and the rebounding of Don Henry will be missed next year. Coach Halberg and Feitshans will miss this great bunch of players. This year Feitshans had a team it will long remember, and everyone should be proud to be a follower of such a great team.

JV's Show Confidence

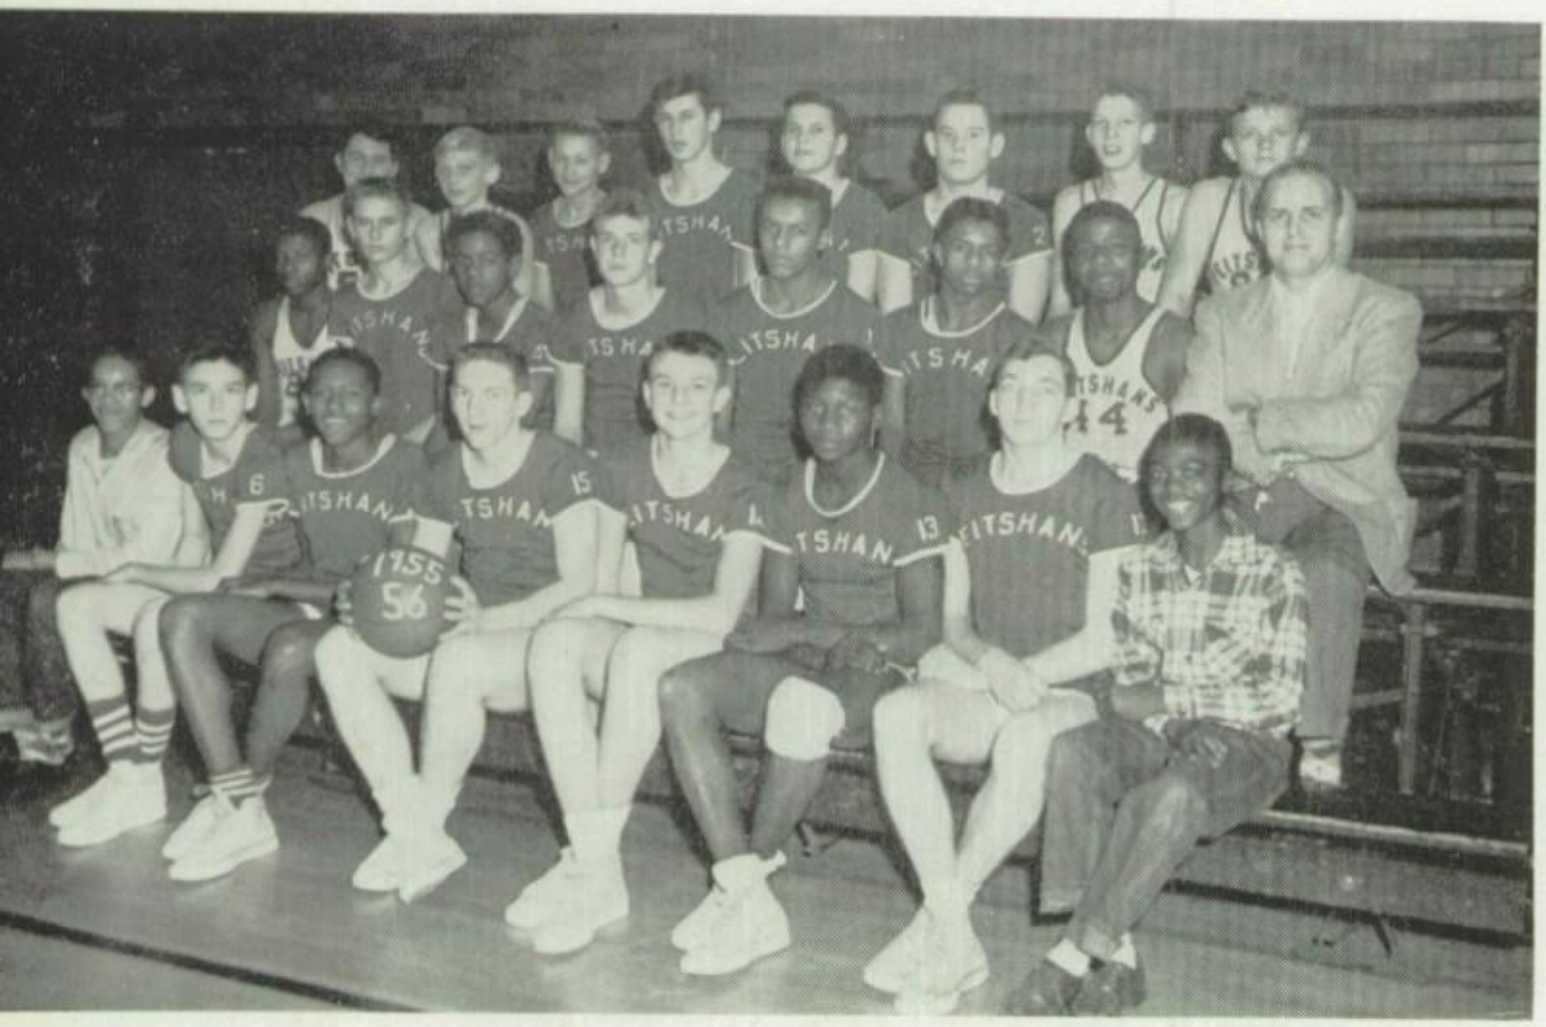
First Row: R. Smith, T. Smith, G. Shelton, B. Volk.
Second Row: H. Gutherie, G. Sullivan, J. Lamotte, R. Bogardus, K. Daugherty, J. Carver, R. Jacobs.
Third Row: D. Faulkner, J. Knox, D. Edwards, H. Jamerson, W. Truax, J. Mohr, R. Braham, N. Houston, R. Carpenter, Coach.

Coached by Robert Carpenter, the Junior Varsity Basketball Team compiled a 13-6 record. Not only did this team show some good basketball talent but also good sportsmanship, and they gained more confidence as each game was played. Bob Volk did most of the scoring and along with some tall boys, who pulled down many rebounds, these boys looked impressive in many of their games. These boys will surely play plenty of basketball for future Flyer teams.

Freshman Cheerleaders

Throughout the years freshman cheerleading has proved to be more or less a training ground for future varsity cheerleaders. The freshman cheerleaders often have not had past cheerleading experience, but under the guidance of Miss Daly they have become a great asset to the freshman and junior varsity teams.

Frosh Basketeers



First Row: C. Taylor, B. England, M. Morrison, M. Leckrone, J. Davis, W. Hamilton, K. Weiss, D. Blair, Mgr.
Second Row: N. Kerr, R. Dressendorfer, A. Kirk, G. Staples, K. Wilson, M. Day, D. Irvin, D. Tillman, Coach.
Third Row: G. Pickeroll, S. Porter, L. Adcock, E. Mayfield, D. Viera, J. Gardner, D. Fishburn, J. Reed.

This was one of the finest freshman teams ever coached by Dean Tillman. By winning 8 and losing 3 the team showed that they would be rough in the future. This great team won the city title, and in a couple of years boys like Morrison, Leckrone, and Dressendorfer will be seeing plenty of varsity action.

Cross-Country Team

Kneeling: R. White, D. Edwards, R. Janssen.
Standing: D. Tillman, Coach, D. Douglas, J. Sommer, J. Lamotte, B. Lancaster, R. Smith, B. Forthman, L. White, G. Edwards.

Track Team

Row 1: D. Faulkner, R. Fleer, N. VanHouten, B. McLaughlin, T. Lauduski, C. Shepard, J. Gibbons, L. Webster.
Row 2: N. Kerr, W. Harris, J. Vincent, J. Stites, J. Jacobs, W. Faulkner, L. Larson, W. Hamilton.
Row 3: R. Williams, D. Blair, G. Staples, C. Brancato, F. Moriconi, R. Pavelick, B. Denton, J. Sommers, M. Leckrone.
Row 4: R. Janssen, G. Sullivan, P. Andruczk, K. Lutes, K. Garda.
Row 5: Mr. Tillman, K. Wilson, B. Lawson, D. Fishburn, B. Trainor, Mr. Schultz.

A promising future is the only thing to which Coach Schultz and his track men can look forward. The only thing Schultz has to work with is a few senior lettermen and a handful of juniors who earned letters last year.

With the freshmen comprising most of the team, the only thing that can be accomplished is a rebuilding of the team for future years.

Half way through April the cindermen have yet to win a meet and failed to place a single boy in the big Pana open.

Promising youngsters include Mester in the 880 and Lancaster in the pole vault, with Kerr coming through in the broad jump.

McLaughlin, Blackwell, and White are carrying much of the burden. If the underclassmen can improve and come through next year, the team will be in good shape.

The outlook isn't too bright this year, but all we can say is wait till next season and the prospects will brighten immensely.

Play Ball!!

Row 1: L. White, B. Volk, J. Gardner, G. Matheis.
Row 2: T. Smith, D. Galloway, R. Hollis, R. Smith, D. Hirschle.
Row 3: F. Brown, J. Cassady, J. Maslouski, B. Forthman, K. Atteberry, D. Henry.
Row 4: J. Rhoades, C. Gantt, R. Johnson, J. Homeier, D. Cassady, G. Patterson, Mr. Halberg.

The fighting Feitshans Flyers seem to be off to a successful season in "56". By the middle of April, the Flyers had won 4 out of 5 ball games, and the outcome looks even brighter.

A team consisting of mostly veterans and spots of sophomores, the Flyers started off the baseball season with a bang. The veteran boys carried most of the load as experience pays off, but to make the team as a sophomore is an accomplishment in itself. With John Cassady whipping in the strikes and his brother Dave blasting away in the hitting department, the ball is really rolling. The only game to date that the Flyers have dropped was the contest with the Clinton boys.

The Flyers look even more impressive on paper. At this writing seven out of the first nine are batting over 300, and two players are batting over 500 to hold down both first and second places in the batting department. This impressive and experienced team has blasted out 50 runs while the pitchers have done a great job in limiting the opponents to 30 runs. The team is now leading in team standings with an 800 percentage mark.

Coach Halberg's baseball team is starting off fast and furious as his basketball team did. With any luck at all this team could go a long way. Make way for Feitshans, the big boys are coming through.

STUDENT COUNCIL

Second Row: S. Snyder, S. Feller, P. Snyder, J. Harvell, B. Bernstein, D. Molnar, W. Meek, S. Rose, C. Jacobs, V. Hribal, K. Ramsey.

Fourth Row: J. Kratzer, R. Kelly, F. Brown, D. Lindsey, D. Cassady, J. Homeier, J. Cassady, R. Taylor, J. Householder, G. Patterson, D. Williams, K. Wilson, J. LaMotte.

The Feitshans Student Council has proved to be a leading organization again this year. Student Council, the governing body of Feitshans, is composed of representatives from all the home rooms. Miss Helen Peifer, the very efficient and interested advisor, has played a big part in making the Council as successful as it was this year.

The Council has sponsored various school activities. The annual Homecoming Dance, the supervised study hall before school, the "Did You Know" cards, Jean Day, and Sadie Hawkins Day are just a few of the Council-sponsored activities. The Council undertook selling F. H. S. necklaces, student directories, and the familiar blue and white shakers. Helping to increase the number of students who take the T.B. tests, urging students to keep off of the school lawn and to conduct themselves properly in and out of school are a few more achievements of the Feitshans Student Council.

Donna Wax served as the 1955-1956 president. Bob Volk as vice-president, Loretta Davis as secretary, and Judy Baugh as treasurer rounded out the slate of officers.

KEY CLUB

Keeps that Musical Beat

One of the leading clubs in Feitshans is the Key Club, which is an affiliate of the well-known Kiwanis Club.

Initiation of new members started things rolling, and some of their other projects were: the purchasing of a strongbox for the school gymnasium, selling an activity calendar with a picture of the queen, who was lovely Carol Connor, the purchasing of shrubs and trees, running the Spook Show at P. T. A. Carnival, sponsoring a serious Christmas assembly, installing a suggestion box at the office door, having noonday movies, selling tickets and ushering at Freshman basketball games. Our annual Chili supper (proceeds which helped the yearbook funds) was another one of our projects.

The Key Club helps Feitshans where help is needed, and they are now working with the Student Council on a piano project.

Officers of the club are: President, John Cassady; Vice President, John Homeier; Secretary, Don Molnar; Treasurer, Ron Kelly.

Whistle While They Work

The Future Homemakers of America is a club created for the Home Economics students. Besides studying different home economic problems, they have such other projects as giving Christmas gifts to polio victims, presenting style shows, and conducting a fix-it shop for students who have mishaps such as a torn skirt or a loose button. They also feature teas, dances, and parties.

An annual event is honoring a senior member of the chapter with a dinner meeting held at the Y.W.C.A. Also featured at this meeting is a Miss F.H.A. whose identity is unknown until the dinner held late in May.

Miss Ines Bressan has sponsored the group since its organization at F.H.S.

Y-TEENS

Exalt Lofty Ideals

Y-Teens, a group of girls working together to advance in social and charitable activities, is a popular organization of Feitshans High School.

Members of this organization have taken part in various activities as hay-rack rides, dances, record-round-ups and social meetings. However, the Y-Teens take part in different charitable activities as taking projects to the crippled children's home. An important project of the Y-Teens is the Potato Chip Drive in the spring.

The meetings consist of business sessions, outside work, the planning of different activities, social activities, and planned programs.

The members are proud of their accomplishments and hope to do as well in the future.

PEP CLUB

Paces F.H.S. Fans

The Pep Club, a comparatively new organization, proved to be essential to the F. H. S. cheering section. The girls met after school with Miss Daly and the varsity cheerleaders to learn all the new cheers. They did a swell job and F. H. S. is looking forward to an even more successful Pep Club next year.

HI-Y

Heads Toward Better Living

The Hi-Y, a newly organized boys' club at Feitshans, is an affiliate of the Y.M.C.A. Although this is the first year of existence of this club at Feitshans, they have had many activities.

The Hi-Y meets on Thursday evenings at the Y.M. and sometimes at Feitshans. They have had some very interesting speakers who talked about sports, which is the main interest of the Hi-Y.

Basketball, swimming, and softball teams have been organized by this club.

The president is Jim Rhoades and Dick Williams is the vice-president, and Tome Murphy is the secretary-treasurer. Mr. Braddock, a wonderful man who is quite interested in youth, is the advisor.

FUTURE NURSES

Face Inspiring Career

The Future Teachers of America is an organization created for the purpose of preparing teenagers who are interested in teaching as a possible career.

The F. T. A. program includes classroom demonstrations by various Springfield grade school teachers, guidance in selecting a future, student observation and participation, and talks by school board members and teachers on the pros and cons of teaching.

The F. T. A. members also have social affairs such as parties, banquets, plays, panel discussions, and social meetings.

Several girls who have "B" averages and wish to assist in the library are as we describe "Feitshans High School's faithful library assistants." During their study period, the girls assist in the library to serve the student body, and to do such things as filing, checking, numbering, and finding books.

OFFICE ASSISTANTS

Help Is Grand

One of the busiest parts of our school is the office staff. Without the competent work of Mrs. Schultz and Mrs. Fields, our school would not run as smoothly and efficiently as it does.

The office staff is assisted by students chosen by the Deans. The assistants run errands, carry the bulletins, and collect the attendance slips.

Row 2: Mrs. Schulze, Mrs. Fields, J. Walker, C. Ramshaw.

The Feitshans Industrial Club is composed of members of the Diversified Occupation Class. This club helps to establish better relationships between the public and students on-the-job.

Parties, pep meetings, trips, and tours help to round out the club's program.

CAFETERIA WORKERS

Many are envious of the students who are excused fifteen minutes before the third period is completed. These students spend that fifteen minutes and most of the noon hour helping the cafeteria staff. This group helps serve the wholesome meals prepared for the Feitshans students.

CAFETERIA STAFF

H-m-m-m! Smell that tantalizing food? The cafeteria staff has prepared wholesome and appetizing meals throughout the year for the Feitshans students and faculty. It has often been proved that healthier bodies build healthier minds, and healthier minds advance and build a more successful school. The cafeteria staff deserves a lot of credit for their part in producing a healthier and happier school.

MAINTENANCE STAFF

The maintenance staff is a part of the school family that we could not do without. The staff is responsible for taking care of the school heating, the lavatories, the electric fixtures, and the water facilities. They are continuously working for a better and cleaner Feitshans and are always willing to help the faculty and students in every way possible. We are grateful to them for their help in providing us with a school of which we can be proud.

The Bible Club, new to Feitshans this year, was organized solely for the purpose of bringing together those students interested in gaining a wider experience from Bible reading.

Much of the emphasis is placed on scripture reading and memorization. Any interested Feitshans student is invited to attend the meetings which are held each week on Wednesdays in room 21 at 8 a.m. Mr. Lesley is the club sponsor.

You and Keep You

To be a member in the A Cappella Choir one may be selected after spending at least one semester in the Junior Choir. One must be above average in grades and have regular attendance. A member must have an attitude of interest and cooperation.

The A Cappella Choir has given many programs to the enjoyment of the students, faculty, and public. They consisted of "The Yuletide Chorale," Freshman Assembly, Upper Classmen Assembly and the "Spring Concert." The choir was invited by Governor Stratton to sing at the Mansion on New Year's Day. The group also sang at the vesper service for June graduates.

The choir members went Christmas caroling at the hospitals and nursing homes after which the Christmas party was held.

This year our choir has been ably directed by Miss Georgia Gher. Under her outstanding supervision the choir has advanced and grown to superior quality.

MIXED ENSEMBLES

Make Feitshans Musically Minded

The most well-known musical group, second only to the A Cappella Choir, is the Feitshans Mixed Ensemble.

They are newly organized this year, but because of their splendid work at Christmas, singing for the Ceramics Club, and a teachers sorority, they have become quite well-known.

Because of this, a group so arranged, can acquire extreme versatility. This has put them not only in the eyes of the general public, but those seeking the services of such a group.

This group is also broken down into separate male and female sextets.

The fellows started originally with a quartet doing barber shop but have progressed to a sextet featured at the Kiwanis Key Club Day and entered the District Ensemble Contest as a single.

The Girl's Sextet have been well-known before this year, since they were organized several years ago. They have participated in many school functions such as P. T. A., noon benefits, and the carnival.

Music Contests

Each year, as February 1st nears, a number of worried faces are seen to appear about the band and choir rooms. This is the mark of a contestant in the Illinois State High School Association contests. The contests are usually held about the middle of March, and there are solos to be learned and ensembles to be practiced.

This year, the district contest was held on March 24th at Morrisonville, and Feitshans was represented by 43 contestants. These 43 contestants were entered in a total of nine ensemble events and ten solo events.

We made the trip to Morrisonville on a school bus which was very kindly furnished to us by Mr. Bruce Wheeler, Ass't. Supt. of Schools. The results of this day were most gratifying as our contestants received ten firsts and nine seconds. The contestants who won firsts will advance to the state contest to be held at Mount Vernon.

Second Band

A small group of future concert band members meet during second hour to gain experience in organization playing. This group is called the second band. The members of this organization not only gain experience in organization playing, but also they become more skillful on their instruments at the same time.

The second band is the pool from which we draw our future concert band members. These students, when they are admitted to the concert band, make excellent members because of their training and background. By having this training program, we are assured of good concert bands in future years at Feitshans.

This has been a year of improvements and new ideas for the Feitshans High School Band, with innovations in music and football shows. Through the tireless efforts of Mr. Melvin McCoy, we have been able to lay aside our troubles and bring forth the talent which has been created here at Feitshans. We participate in many civic and school affairs in addition to promoting our annual concert and preparing for the Illinois High School Association contests.

This year's football shows were timely, topical, and well received by the audience. Marching briskly, with heads held high, the band executes spirals, wagon-wheels, and numerous other formations while playing rousing marches.

Not to be forgotten are the parades in which our band participated this year. Foremost among these is the Christmas Parade which the band always looks forward to with much anticipation. One of the most enjoyable affairs is our annual three mile trek to Lincoln's tomb in the Scout Parade. We feel a great burst of pride in the fact that we are almost always represented in civic affairs.

The culmination of our efforts comes with the presentation of our annual concert. This concert represents many hours of patient practice and work by the band members and Mr. McCoy. It was held on the 10th of April this year, and a wide variety of selections was offered. The band also plays at the P.T.A. ice cream social in early May.

Senior Class Presents Our Miss Brooks

Confusion Reigns
But Let Me Explain!
Entire Cast

The combined efforts of Miss Mary Virginia Speaker and the senior class resulted in a light, amusing drama, entitled "Our Miss Brooks." The play was a humorous interpretation of an English teacher's trials and tribulations which occurred during the direction of a school play.

In the leading role, Elizabeth Spence depicted Miss Brooks. She was supported by Fred Brown in the role of Coach Longacre.

Other personalities in the play were portrayed by Roberta Coleman, Dona Jacobs, Don Molnar, Ruth Ann Penny, Dick Rodems, Tom Robertson, Gene Morescki, Nancy Hazlett, Nancy Earls, Shirley Guimard, Annalee Padget, Carol Woolary, Sharon Evans, Carol Spears, Sharlene Rose, Norman Van Houten, Ron Kelly, and Russell Fleer.

Assisting Miss Speaker in the direction of the production were Anna Rollet, Loretta Davis, Jackie Gibbs, and Carol Connor.

F.H.S. Meets Lucy At Annual Class Play

Through the unsurpassable directing of Miss Virginia Speaker, the production of "I Love Lucy," depicted by students of the Junior Class, was of professional quality. This three-act comedy gave a general idea of how Lucy, portrayed by Sheryle Lucas, was constantly getting herself into predicaments to the dismay of her husband Ricky, played by Dave Cassady.

Other members of the cast who added extra spice to the play were: Ann Denny, John Miller, Jay Householder, Joyce Ballard, Dennis Lindsey, Mary Baptist, Linda Harris and Charles Winterbauer.

Assisting the director were Vicki Hribal, Pat Harvell, and Donna Chiola.

P. T. A. CARNIVAL

Sweet And Lovely

Her Majesty, Queen Donna

Annually sponsored by the P. T. A., the Carnival was once again a bang-up success in 1955 with the baby show, hula dance, and spook house. The Carnival was enjoyed by all who attended. The crowning of the queen climaxed the evening.

Creating a picturesque scene, the queen, vivacious Donna Wax, and her court furthered the splendor of the night for all spectators present.

The queen carried a bouquet of red roses and was attired in a billowing, emerald green formal. Her ten attendants carried nosegays of mums and resembled a mass of soft pastel colored clouds.

The P. T. A. uses profits from the carnival advantageously in assisting F. H. S.

Feitshans High School is indeed proud to have a chapter of the National Honor Society, a nation-wide honorary organization of senior students who excel in scholarship and citizenship. Only fourteen per cent of the graduating class can become members of N.H.S., and this year it was very difficult to narrow it down to the quota.

All members of N.H.S. must have at least 9 units of credit in academic subjects, a 4.5 average in their major field, and a 4.0 over-all average. In addition to these qualifications, all candidates must show evidence of fine character.

These outstanding students may be readily identified by their glittering National Honor pin which is the symbol of their achievements in high school.

The National Honor Society has as its advisor the very capable Miss Elizabeth Cogswell.

The 1956 Log Staff

The Log staff takes a moment from their labors to pose for the camera and posterity. Seated are Donna Wax and Roberta Coleman. Standing from left to right are Kay Ramsay, Bill Bernstein, Nancy Hazlett, Don Smargiassi and Jackie Gibbs.

The task of editing and compiling material, of checking infinite details, and of fighting the financial battle encountered in yearbook production fell this year into the hands of a few diligent seniors who willingly sacrificed valuable free time so that the dream of the 1956 Log could become a reality.

Donna Wax, Don Smargiassi and Roberta Coleman met each day in room nine during sixth period and waged the Log battle, with Jackie Gibbs, Nancy Hazlett, Bill Bernstein, and Kay Ramsay sacrificing free periods every other day to join in the cause.

These people were assisted during the first semester by Loretta Davis, Carol Melkush, Maxine Yowell, Anna Rollett, Ruth Ann Penny and Spud Brown.

Soliciting advertising, taking subscriptions, checking names, mounting pictures, writing articles and typing, typing, typing, are only a few of the activities the yearbook staff managed to accomplish. They also supervised and ran the concession stand at Lanphier Park, the after-the-game dances and the spring dance, Holiday in Stardom.

The staff accomplished all of these tasks in a cooperative spirit, guided constantly by the belief that our school yearbook plays a vitally important role in student life at F.H.S.

Loretta Davis checks final art sketches for the 1956 Log as (left to right) Marilyn Matern, Carol Melkush, Anna Rollett and Maxine Yowell look on.

Key Club prexy John Cassady presents Log staffer Don Smargiassi with a check for $100, the Key Club's contribution to the yearbook fund. Looking on are Key Clubbers Bill Bernstein, John Homeier, and Jay Householder.
